ESN Celal Bayar University is a voluntary student organization aiming to help incoming and outgoing Erasmus students, in cooperation with EU Office. Each incoming student has a mentor from ESN who will be helping with the formalities such as residence permit application, receiving a public transport card, student affairs and also renting a flat or room. Our social and cultural activities are also organized together with ESN Celal Bayar University.

We are nominated as a candidate in ESN.

What is ESN ?

ESN (Erasmus Student Network) is one of the biggest interdisciplinary student associations in Europe. It was born on the 16th October 1989 and legally registered in 1990 for supporting and developing student exchange.

We are present in more than 424 Higher Education Institutions from 36 countries. The network is constantly developing and expanding. We have around 12.000 active members that are in many sections supported by so called buddies mainly taking care of international students. Thus, ESN involves around 29.000 young people offering its services to around 160.000 international students every year.
